On “Snow days” or days when public office buildings are closed due to an emergency, school will be closed. No students will be in attendance.

In the event that a teacher is sick and a suitable substitute can not be found, school will be closed to maintain safety. No students will be in attendance.

Make-up days are subject to availability of safe classroom ratios and open available spots. The choice to not attend classes on open school days is not valid for a make-up day request. Up to 10 make-up days can be requested within a full school year, September-June, contingent upon the student’s school schedule and the discretion of CP staff.
