

CRAYON POWER PLAYSCHOOL RATES

*We do not offer 1 day a week because research shows 1 day is not enough socially beneficial time for a toddler to build lasting relationships with peers.

**We occasionally benefit from Angel Investors who supplement costs for BIPOC, LGBTQIA, and families who were financially impacted by the Covid-19 epidemic or financial hardship.

***The following rates are only for families who are signed up for the full school year. A set of higher rates are provided to families who sign up for a customized, short-term, school schedule.

****We can enroll 6-8 children in the morning between the ages of 18 months and 4 years old. We can take up to 6 school aged children in the afternoon.

DEPOSIT: Nonrefundable 1-month deposit paid upon enrollment, to be put towards June tuition if families complete the full year. September 2024 tuition paid by August 1st, 2024.
